

Kumaran Kumarathurai

ABOUT MYSELF

I am deaf and use Danish sign language. I can write in Danish or English and use my smartphone or paper and pencil frequently.

I am a happy and smiling person who loves to help others.

I am an outgoing and friendly person who has an easygoing personality.

While I enjoy walking through the forest and taking photographs of nature, my interest in IT leads me to spend a large portion of my free time developing in IT, including making websites and reading IT news.

I am also very interested in digital learning and blended learning.
